(use to access
Main Menu)

**Only use this
section if your
Harmony™ Player
is connected
to a screen.**

Hotspot Mode
(hold for 3 seconds when
prompted from Harmony
Setup Mobile App)

**Directional
Arrows & OK**

Back
(Can also be used to hide
virtual keyboard)

Volume Up

Next Music Program

Volume Down

**Previous Music
Program**

**Resets your
music schedule**

**Each number will
correspond to a
Music Program
preloaded on your
Harmony player.****

MOOD:™

** Standby mode cannot be used during your location's Opening Hours. To change your Opening Hours, visit
harmony.moodmedia.com and tap "Locations."*

*** If you're listening to a Playlist that you have created, you may use the remote control to navigate to any of
the music slots included in your schedule. The selected music will play until the next scheduled change, or you
can return to the scheduled music by pressing 0.*
